---	------------------------	---

1. PREAMBLE

As AFRIMAT, we should maintain the highest ethical standards in carrying out our business activities. Our reputation is one of our most important assets. Maintaining the trust and confidence of all those with whom we deal is therefore one of our vital responsibilities. At each of our Business Units our values: Trust, Integrity, Respect, Accountability, Teamwork and Customer Satisfaction must be used to guide and direct the way we do business.

We recognise our obligations to all stakeholders with whom we have dealings. Accordingly, this Code of Conduct (“Code”) sets overall principles and guidelines for practice to be adopted throughout AFRIMAT. Business units of AFRIMAT are required to adopt appropriate principles and processes to deal with specific ethical issues that arise in their specific circumstances.

AFRIMAT will monitor ethical performance regularly in order to ensure that corrupt or unethical business practices are eliminated.

2. CODE OF CONDUCT

2.1 RELATIONS WITH CUSTOMERS, SUPPLIERS, THIRD PARTIES

- 2.1.1 We believe that integrity in dealings with our customers, suppliers and third parties is a prerequisite for successful long-term business relationships. This principle governs all aspects of AFRIMAT’s approach to its customers and suppliers.
- 2.1.2 In all advertising and other public communications, untruths, concealment and overstatement will be avoided. We will never deliberately give inadequate or misleading descriptions of our products or services.
- 2.1.3 In accepting business, entering contracts, applying for rights/licences or any other matter/arrangement employees and/or intermediaries are expected to observe the highest standards of integrity, to act in the best interests of AFRIMAT and may not have any improper motive. - 2.1.4 In dealing with customers, suppliers, intermediaries or third parties, employees and/or intermediaries may not give or receive money or gifts.
