Message  Midvaal Block Plant - BID.pdf (763 KB)

Dear interested and affected party

SA Block (Pty) Ltd, a subsidiary of Afrimat (Pty) Ltd, has applied for an Environmental Authorisation to for the proposed brick manufacturing facility, located in the town of Meyerton, Gauteng Province.

As part of the Environmental Impact Assessment (EIA) process, potential Interested and Affected Parties (I&APs) and Stakeholders must be informed about the proposed project and invited to take part or participate in the project.

The purpose of this letter is to notify you of the Public Participation Process (PPP) and to invite you as an Interested and Affected party (I&AP) to participate and contribute to the Environmental Impact Assessment process for the proposed brick manufacturing facility, by raising issues of concern related to the proposed project, providing inputs on the **Draft Basic Assessment Report and EMPr**, as well as provide suggestions related to the proposed development.

The Draft Basic Assessment Report and EMPr will be made available for your review and comment for a period of 30 days starting from Tuesday 01st June to Thursday 01st July 2021. You will be notified of the availability of this report and it will be shared with all stakeholders electronically through a link that will be sent to all registered stakeholders.

Please find attached a Background Information Document (BID) which will provide you with further information regarding the proposed project. The BID has a registration sheet – please be so kind to complete the registration sheet and return it to us by **Monday 28th June 2021**.

i See more about Ntsanko Ndlovu.

Afrimat will conduct the public participation process for the proposed development. Should you have any questions or need additional information, please do not hesitate to contact us.

Your participation is crucial and will be highly appreciated.

Regards
